

Business Savers PROGRAM

Enjoy exclusive member savings today through the NSW Business Chamber Business Savers Program

Energy*

- The program has helped hundreds of businesses save money since 2013.
- Lower energy costs through our group energy buying program.
- Access tools and services to help you buy better and use less.

betterenergymanager
A program powered by energetics

Office Solutions

- Discounts on more than just office supplies, including everyday technology, print management, promotional marketing, office products, kitchen supplies, business furniture, facility solutions and educational supplies.
- Easy and secure online ordering, 24/7.

nswbusinesschamber.com.au/Business-Savers-Program

* The offer is available to NSW Business Chamber member sites using less than 100,000 kilowatt hours annually. The discounts apply for 24 months. If you have sites in other states, great rates have also been negotiated. To find out more, please call the Better Energy Manager Program support hotline on 1300 414 245 during business hours. This offer is open to businesses based in the ACT.

The Business Savers Program is open to current members of NSW Business Chamber, Hunter Business Chamber, Illawarra Business Chamber, Local Chamber Alliance Program partners and their local chamber members who have opted into the Local Chamber Alliance Partner Program and NSW Business Chamber membership. This offer is not available to Defence Alliance members.
